Patchwork Inn

"Lodging in Casual Elegance"

Since 1840

*"Piece by piece.....
.....stitch by stitch
"Life is a beautiful patchwork!"*

Patchwork Inn

Step back in time to a gentler age when hospitality was an art and life was unhurried. When a person could while away an hour on the front porch with coffee and newspaper, without a shred of guilt. When nights were spent in high-ceilinged bedrooms under cozy handmade quilts, waking to the robin's early-morning song.

The Patchwork Inn captures this spirit of the casual elegance from the past with the sophistication of today. We offer you an uptown experience in a rural setting ...surrounded by wooded hills and the rolling farm land of Northern Illinois.

A Bit of History

The Inn abounds with historical atmosphere! Local history documents *Abraham Lincoln* visiting for lunch and lodging... Imagine the feeling of climbing the original staircase this great American President ascended while visiting in Oregon, and having the opportunity to stay in the same room occupied by Mr. Lincoln!
